**Report Generated:** February 15, 2026 at 05:40 AM

**Report Type:** Premium Report

**For User:** Nischal Gurung

Powered by SEO Optima - Professional Website Analysis Tool

## ■ Page Speed Performance

**Website:** <https://heraldcollege.edu.np/>

**Device:** Mobile

Metric	Score	Status
Performance	44	Poor
Accessibility	90	Excellent ✓
Best Practices	96	Excellent ✓
SEO	85	Good

**Overall Score: 79/100 (Needs Work)**

Your website's performance has been analyzed across four key metrics. Focus on areas with lower scores to improve your online presence.

### Top Recommendations:

- **Browser errors were logged to the console** (Score: 0/100)
- **Network dependency tree** (Score: 0/100)
- **Heading elements are not in a sequentially-descending order** (Score: 0/100)

## ■ Keywords Ranking Analysis

**Website:** <https://www.nischalgarung.com/>

Metric	Value
Total Keywords	24
Top 10 Rankings	13 keywords (54.2%)
Avg. Position	10.2
Monthly Volume	11810

**Analysis:** Your website ranks for 24 keywords with 13 in the top 10 positions. This represents significant search visibility. Continue optimizing content to improve rankings for the lower-positioned keywords.

## ■■■ Image & Alt Text Analysis

**Website:** <https://heraldcollege.edu.np/>

Metric	Value
Total Images	74
Alt Text Coverage	16.2%
With Alt Text	12
Without Alt Text	62

### Why Alt Text Matters:

- SEO: Helps search engines understand images
- Accessibility: Assists visually impaired users
- UX: Shows when images fail to load

## ■ Executive Summary & Next Steps

### **Report Overview:**

This comprehensive report analyzes your website across multiple SEO metrics. Report Type: Premium Report

Sections Analyzed: 3 areas

Generated: February 15, 2026

### **Recommended Next Steps:**

1. **Review Findings:** Examine each section of this report
2. **Prioritize Issues:** Focus on high-impact improvements first
3. **Take Action:** Implement recommended changes
4. **Track Progress:** Generate new reports monthly to monitor improvements
